In addition, the Board shall have the power to appoint such additional officers as it deems necessary.

The treasurer and the auditor shall serve at the pleasure of the Board. The chairman, vice chairman, and secretary shall hold office for a period of one year commencing the first meeting of each Fiscal Year. The remaining Board shall select a successor officer to serve for the balance of the leaving officer's term. The public officer or officers or persons who have charge of any
funds or securities of the Authority shall be bonded and the amount of their bond shall be designated in the applicable budget and thus fixed.

All of the privileges and immunities from liability, exemptions from laws, ordinances and rules which apply to the activity of officers, agents, or employees of any of the Members when performing their respective functions shall apply to them to the same degree and extent while engaged in the performance of any of the functions and other duties under this Agreement. None of the officers, agents, or employees appointed by the Board shall be deemed by reason of their employment by the Board to be employed by any of the Members or by reason of their employment by the Board to be subject to any of the requirements of such Members.

18. **Executive Director.** The Executive Director of the Authority shall be the chief administrative officer of the Authority, shall serve at the pleasure of the Board of Directors, and shall be responsible to the Board for the proper and efficient administration of the Authority as is or hereafter may be placed in his charge, or under his jurisdiction or control, pursuant to the provisions of this Agreement, or of any motion, ordinance, resolution or order of the Board. In addition to other powers and duties herein provided and notwithstanding paragraph 13 hereof, the Executive Director shall have the power:

(a) under policy direction of the Board, to plan, organize and direct all Authority activities;
(b) to appoint and to remove all Authority employees, all of whom shall serve pursuant to such terms and conditions as may be established by the Board or Executive Director, as appropriate, except as is otherwise provided by law or by this Agreement;

(c) to authorize expenditures within the designations and limitations of the approved Budget; and

(d) to make recommendations to and requests of the Board concerning all of the matters and things which are to be performed, done or carried out by said Board.

PLANNING

19. Planning Policy. In keeping with the purpose of this Agreement, the Members hereby authorize and direct the Board to undertake and/or participate in such studies and planning as necessary to provide for the purposes set forth in the recitals hereto and in Paragraph 4, as well as the exercise of the powers set forth in Paragraph 6. The studies and planning shall consider the financing methods for such proposals, as well as the allocation of costs among the Parties.

PROJECTS

20. Projects. Subject to Paragraph 21 hereof, the Authority's projects are intended to consist of developing, designing, rehabilitating, acquiring, constructing, financing or operating and maintaining Facilities (including sharing in the cost of federal, state or local projects). The Authority may undertake the development, design, construction, rehabilitation,
acquisition or funding of all or any portion of such projects on its own or in conjunction and cooperation with the United States, the State of California, or any other public or private entity. The Authority may also undertake such other projects as are consistent with the purposes set forth in the recitals and in Paragraph 4, as well as the exercise of the powers set forth in Paragraph 6.

21. **Project Agreement.** Prior to undertaking a project, the Members electing to participate in the project shall enter into a Project Agreement. Thereafter, all assets, rights, benefits and obligations attributable to the project shall be assets, rights, benefits and obligations of those Members which have entered into the Project Agreement. Any debts, liabilities, obligations or indebtedness incurred by the Authority in regard to a particular project shall be the debts, liabilities, obligations or indebtedness of the Members who have executed the respective Project Agreement with respect thereto in accordance with the terms of such Project Agreement and shall not be the debts, liabilities, obligations and indebtedness of those Members who have not executed the Project Agreement with respect thereto.

**BUDGETS AND PAYMENTS**

22. **Budget.** Within 90 days after the first meeting of the Board, and thereafter prior to the commencement of each fiscal year, the Board shall adopt a Budget for the Authority for the ensuing fiscal year.
23. **Contributions for Operating Expenses:**

(a) Each Member shall make an initial contribution to pay operating expenses in an amount to be determined by the Board, and, thereafter, contributions as determined by the Board as required to fund the Budget.

(b) It is understood that upon the formation of the Authority, the Authority shall reimburse the Members for those costs incurred by them for the formation of the Authority.

(c) Contributions or advances of public funds and of personnel, supplies, equipment or property may be made to the Authority by any Member for any of the purposes of this Agreement, with the consent of the Authority. Any such advance may be made subject to repayment as agreed to by the Member and the Authority.

(d) All operating costs of the Authority shall be allocated among Members in accordance with agreements entered into by the Authority and Members and policies established by the Authority consistent therewith, all to be set forth in a schedule to be attached to each budget. Only the Members who enter into a Project Agreement shall be responsible for paying the costs of the Authority allocable to such Project Agreement. The Authority may enter into activity agreements or other agreements to pay the costs of activities which benefit less than all of the Members which
allocate such costs to the Members who execute such agreements.

(e) It is understood that the Board may arrange for the payment of the expenses of the Authority through some other source, including but not limited to state or federal grants or loans. The Authority may not assess a Member directly for the costs for the operation and maintenance of Facilities, for the payment of administrative expenses or for the satisfaction of any liabilities imposed against the Authority in connection with such grants or loans without such Member's consent as evidenced by an Administration Agreement, activity agreement, Project Agreement or other written consent.

(f) In accordance with Government Code Section 6512.1, repayment or return to the Members of all or part of any contributions made by the Members may be directed by the Board at such time, and upon such terms as may be consistent with any indebtedness incurred by the Authority. The Authority shall hold title to all funds, property and Facilities acquired by it during the term of this Agreement, unless a Project Agreement provides otherwise.

FINANCING

24. Indebtedness. The Board shall have the power and authority to issue bonds, notes and other indebtedness, and to execute leases, installment sale contracts or installment

In particular, the Authority's treasurer shall comply strictly with requirements of the statute governing joint powers agencies, Chapter 5, Division 7, Title 1 of the Government Code commencing at Section 6500.

27. **Authority Facilities.** All Facilities constructed or acquired by the Authority shall be held in the name of the Authority for the benefit of the membership of the Authority in accordance with the terms of this Agreement, unless a Project Agreement provides otherwise.

28. **Liabilities.** The debts, liabilities and obligations of the Authority shall be the debts, liabilities or obligations of the Authority alone and not of the Members to this Agreement, except as may otherwise be expressly set forth in a Project Agreement or activity agreement or as provided in Paragraph 23.
29. Except as otherwise provided in this Agreement, the funds of the Authority shall be used to defend, indemnify and hold harmless the Authority and any Director for their actions taken within the scope of the authority of the Authority. Nothing herein shall limit the right of the Authority to purchase insurance to provide such coverage as is hereinabove set forth.

30. **Term.** The Authority shall continue until this Agreement is rescinded or terminated as herein provided.

31. **Rescission or Termination.** This Agreement may be rescinded and the Authority terminated by unanimous written consent of the Members, except during the outstanding term of any Authority indebtedness. Nothing in this Agreement shall prevent the Members from entering into other joint exercise of power agreements.

32. **Disposition of Property Upon Termination.** Upon termination of this Agreement, any surplus funds on hand shall be returned to the then Members in proportion to the contributions made. The Board shall first offer any Facilities, rights and interests of the Authority for sale to the Members for good and adequate consideration. The net proceeds from any sale shall be distributed among the Members in proportion to the
contributions made. If no such sale is consummated, then the
Facilities, rights and interests of the Authority shall be
allocated to the Members in the same manner as the allocation of
the net proceeds from a sale, unless otherwise agreed to by the
Members.

33. Withdrawal.

(a) A Member may unilaterally withdraw from this
Agreement without requiring termination of this Agreement,
effective upon sixty days' written notice to the Authority,
provided no indebtedness has been incurred under any Project
Agreement to which the Member is a participant, and further
provided the withdrawing Member pays or agrees to pay its
share of all debts, liabilities and obligations of the
Authority incurred prior to the effective date of such
withdrawal other than debts, liabilities and obligations
incurred pursuant to Project Agreements or activity
agreements to which the Member is not a participant.

(b) In the event the withdrawing Member has any rights
in any Facilities or obligations to the Authority, the
Member cannot sell, lease or transfer such rights or be
released of its obligations, except in accordance with a
written agreement executed by it and the Authority. The
Authority may not sell, lease, transfer or use any rights of
a Member who has withdrawn without first obtaining the
written consent of the withdrawing Member.

36. **Assignment; Binding on Successors.** Except as otherwise provided in this Agreement, the rights and duties of the Members may not be assigned or delegated without the written consent of all other Members. Any attempt to assign or delegate such rights or duties in contravention of this Agreement shall be null and void. Any approved assignment or delegation shall be consistent with the terms of any contracts, resolutions, indemnities and other obligations of the Authority then in effect. This
Agreement shall inure to the benefit of, and be binding upon, the successors and assigns of the Members hereto.

37. **Notice.** Any notice or instrument required to be given or delivered hereunder shall be delivered by depositing the same in any United States Post Office, registered or certified, postage prepaid, addressed to the addresses of the Members shall be deemed to have been received by the Member to whom the same is addressed at the expiration of 72 hours after deposit of the same in the United States Post Office.

38. **Counterparts.** This Agreement may be executed by the Members in separate counterparts, each of which when so executed and delivered shall be an original, but all such counterparts shall together constitute but one and the same instrument.

39. **Choice of Law.** This Agreement shall be governed by the laws of the State of California.

40. **Severability.** If one or more clauses, sentences, paragraphs or provisions of this Agreement shall be held to be unlawful, invalid or unenforceable, it is hereby agreed by the Members that the remainder of the Agreement shall not be affected thereby.

41. **Headings.** The titles of paragraphs of this Agreement are for convenience only, and no presumption or implication of the intent of the parties as to the construction of this Agreement shall be drawn therefrom.
IN WITNESS WHEREOF, the Members have caused this Agreement to be executed as of the day and year first above-written.
