- 5.5 Recovery of General and Administrative Costs:
- 5.5.1 The Board may assess each Member for the general and administrative costs to operate the Authority. Payments of public funds may be made to defray the costs incurred in carrying out such purposes, and advances of funds may be made for use in doing so, to be repaid as provided in this Agreement. Personnel, equipment or property of one or more of the Members may be used in lieu of other contributions or advances, upon Board approval, and will be treated as a contribution from that Member.

If a Member does not agree with the amount listed on the invoice, it must make full payment and provide a cover letter accompanying payment to the Authority specifying the amount in dispute and providing a detailed explanation of the basis for the dispute. The Authority will advise the disputing Member of the Authority's determination within 30 business days.
- 5.6 Recovery of Project Agreement Costs: Each Project Agreement will specify the requirements for recovery of costs.
- 5.7 Auditor; Audit: An auditor will be chosen annually by, and serve at the pleasure of, the Board. The auditor will make an annual audit of the accounts and records of the Authority. - 5.8 Bonds: The Board may, from time to time, designate the officers or other persons who have charge of, handle, or have access to any property of the Authority and will require such officers or persons to file an official bond, at the Authority's expense, in an amount to be fixed by the Board.
- 5.9 No Authority Member Liability: As provided by California Government Code section 6508.1, the debts, liabilities, and obligations of the Authority will be the debts, liabilities, and obligations of the Authority only, and not of the individual Members.
- 5.10 Indemnity: Funds of the Authority may be used to defend, indemnify and hold harmless the Authority, each Member, each Director, and any officers, agents and employees of the Authority for their actions taken within the course and scope of their duties while acting on behalf of the Authority, including pursuant to a Project Agreement . The provisions of California Civil Code section 2778 regarding the interpretation of indemnity provisions are made a part of this Agreement.

## VI. PROJECT AGREEMENTS

- 6.1 General: The Authority intends to carry out many of the purposes of this Agreement through projects that are consistent with the purposes of the Authority as described in this Agreement. Funding and participation in certain projects undertaken by the Authority will be governed by a "**Project Agreement**". The Authority may undertake all or any portion of

Any debts, liabilities, obligations or indebtedness incurred by the Authority in regard to a particular project will be the debts, liabilities, obligations, and indebtedness of the Members and Non-Member Participating Parties who have executed the respective Project Agreement and will not be the debts, liabilities, obligations or indebtedness of the Members and Non-Member Participating Parties that have not executed the Project Agreement, nor of the Authority. The Bylaws may provide additional requirements regarding the implementation of each Project Agreement.

## VII. TERMINATION, WITHDRAWAL, AND SUSPENSION

### 7.1 Termination:

- 7.1.1 Automatic Termination. Within twelve months of the effective date of this Agreement under Section 2.2, the Members will attempt to reach an agreement on operating principles of the Project. If agreement on such operating principles is not reached by the Members or the time period to reach an agreement under this Section is not extended by an amendment to this Agreement, then this Agreement will automatically terminate at the expiration of such twelve-month period.

- 7.1.3 Termination of a Member by the Authority. This Agreement may be terminated with respect to any Member upon the affirmative vote of all Directors less one. Prior to any vote to terminate this Agreement with respect to a Member, written notice of the proposed termination and the reason(s) for such termination will be presented at a regular Board meeting with opportunity for discussion. The Member subject to possible termination will have the opportunity at the next following regular Board meeting to respond to any reasons and allegations that may be cited as a basis for termination prior to a vote. If a Member is terminated, that Member will be responsible for its proportionate share of any costs incurred by the Authority up to the date of termination.

- 7.2.1 Any Member may unilaterally withdraw from the Authority by giving at least 60 days' written notice of its election to do so, which notice will be given to the Authority and each Member; provided that such withdrawal does not in any way impair any contracts or obligations of the Authority then in effect. Prior to withdrawal or as soon as an accounting can be completed, the withdrawing Member must pay its proportionate share of (1) general and administrative costs, described in Section

5.5, budgeted and approved prior to the effective date of withdrawal and (2) any multi-year contract entered into by the Authority while it was a member unless the remaining Members agree to assume the withdrawing Member's obligations. - 7.2.2 With respect to a particular project, and subject to the terms of the applicable Project Agreement, the withdrawing Member will be responsible for its share of all costs, expenses, advances, contractual obligations, and other obligations, including bonds, notes or other indebtedness issued by the Authority while such withdrawing entity was a party to a Project Agreement. The remaining parties to a Project Agreement will have the option of discontinuing a project and/or acquiring the interests of the withdrawing party, as may be more particularly described in the Project Agreement. If the remaining Members to a Project Agreement under Article VI decide to terminate the Project Agreement, any remaining funds will be allocated pursuant to the terms of the Project Agreement and the costs will be allocated to all parties as described in the Project Agreement, including the withdrawing party.
- 7.3 Withdrawal by Operation of Law: Should the participation of any Member be decided by the courts to be illegal or in excess of that Member's authority or in conflict with any law, such Member must withdraw no later than the date such determination becomes final and must pay its proportionate share of the matters set forth in Section 7.2.1.
- 7.4 Disposition of Assets Upon Termination: Upon termination of this Agreement, any surplus money or assets in the possession of the Authority for use under this Agreement, after payment of liabilities, costs, expenses and charges incurred under this Agreement, will be returned to the then-existing Members in proportion to the total contributions made by each Member. The Board of Directors will first offer the properties, works, rights and interests of the Authority for sale to Members. If such sale is not consummated or only partially consummated, the Board of Directors will offer to sell the properties, works, rights and interests of the Authority to any public utility, governmental agency, or other entity or entities for good and adequate consideration. The Authority will have the power to consummate such sales and the net proceeds from the sales will be distributed among the Members in proportion to their total contributions.

**ARTICLE I. AUTHORITY POWERS**

All powers for the management, government and control of the Temperance Flat Reservoir Authority (“**Authority**”) and its affairs, not conferred on any other person, office or official by law, the then-current Joint Exercise of Powers Agreement (“**Agreement**”), or these Bylaws are reserved in the Board of Directors of the Authority to the maximum extent permitted by law. Unless otherwise defined in these Bylaws, all initially capitalized words and phrases will have the definition set forth in the Agreement. In the event one or more provisions of these Bylaws conflicts with any portion of the Agreement, the Agreement will control.

**ARTICLE II. OFFICE**

The principal office for the transaction of business of the Authority is \_\_\_\_\_, California, \_\_\_\_\_. The Board of Directors (“**Board**”) may change the principal office of the Authority if necessary.

**ARTICLE III. MEETINGS**

Section 1. COMPLIANCE WITH BROWN ACT.

All meetings of the Board and every committee subject to the Ralph M. Brown Act (California Government Code section 54950 and following)(“**Brown Act**”) will be called, held, noticed and conducted according to the provisions of the Brown Act. All meetings of the Board and every committee subject to the Brown Act are open to the public. All Authority committees subject to the Brown Act must comply with the applicable provisions of this Article III, with regard to conducting their meetings.

Section 2. ANNUAL MEETING.

The Authority may hold an annual meeting on a date determined by the Board of Directors.

Section 3. REGULAR MEETINGS.

Except as otherwise determined by the Board, the Board will hold a regular meeting on \_\_\_\_\_ of each month at a location set by the Board starting at \_\_\_\_\_. The Board will cause an agenda for its meetings to be posted in accordance with all applicable requirements of the Brown Act.

Section 4. CHANGE OF TIME AND PLACE OF REGULAR MEETINGS.

The Board, by majority vote recorded and entered in its minutes, may change the place, date, and time of the regular meetings at any time.

Section 5. ADJOURNED MEETINGS.

The Board, or any members of the Board if less than a quorum, may adjourn any regular, adjourned regular, special or adjourned special meeting to a time and place specified in the order of adjournment in accordance with Government Code section 54955.

Section 6. SPECIAL MEETINGS.

Special meetings of the Board may be called at any time by the Chair of the Board (“**Chair**”), the Vice Chair of the Board (“**Vice Chair**”) in the absence of the Chair, or by a majority of the Board by delivering written notice personally or by any other permitted means to each member of the Board in accordance with Government Code section 54956. The written notice may be dispensed with as to any member of the Board who, prior to the time the meeting convenes, files with the Secretary a written waiver of notice or as to any Director who is actually present at the meeting at the time it convenes. The call and notice must specify the time and place of the special meeting and the business to be transacted or discussed. No other business may be considered at such special meeting. The agenda and its posting and notice, and the conduct of the special meeting must comply with all applicable provisions of the Brown Act with respect to special meetings, specifically Government Code section 54956.

Section 7. CLOSED SESSIONS.

The Board may enter into a closed session during a regular, adjourned regular, special or adjourned special meeting to consider matters as may lawfully be considered in such sessions. Prior to any closed session, the item(s) to be discussed will be disclosed and only those matters covered in such disclosure may be considered in such closed session. Disclosure may take the form of a reference to the item(s) as listed by number or letter on the agenda. Due to the fact that the national and state water, environmental, and political issues are so complex, the Board may find that the participation of the Authority's Directors and their Alternates in closed sessions of the Board meetings is essential in order to allow the Alternate Directors to be able to keep abreast of these matters so that they may vote meaningfully upon issues presented at meetings when they are called on to do so, as well as participation by staff and agents of the Members who may have necessary information and input on closed session matters. After a closed session, the Board will report publicly, orally or in writing, any action taken in closed session required to be disclosed, as well as the vote or abstention of every Director present as provided by law.

Section 8. CONDUCT OF MEETINGS.

The Chair, or in his or her absence the Vice Chair, will preside at and conduct all meetings of the Board. In the absence of the Chair and Vice Chair at any meeting where a quorum is present, the Board will appoint a director as the Chair Pro Tempore, who will preside at the meeting. Any Director abstaining from a vote will be counted for purposes of determining the existence of a quorum, but will not be deemed to be voting.

**ARTICLE IV. DIRECTORS AND OFFICERS**

Section 1. QUALIFICATIONS.

Each Member of the Authority will be responsible for selecting its own representative(s) on the Board of Directors of the Authority; provided, however, that such representative must be either a member of the governing body of the Member or an employee of the Member.

Section 5. CHAIR.

The Chair will preside at all meetings of the Board. The Chair will be an ex-officio member of all Authority standing committees but will not be entitled to participate in the votes of any committee unless the committee has a tie. The Chair will have the right to vote on all matters coming before the Board and will have only one vote, just as the other Board members. The Chair will ensure engagement of Directors and that clear policy direction is provided to Authority staff and agents, consistent with the positions taken by the Board. The Chair is responsible for leadership, control, and content of Board meetings, and the Chair will enforce protocol at meetings, such as designating who can speak and when. As authorized by the Board or these Bylaws, the Chair is empowered to represent the Authority at all times, consistent with Board policy. The Chair will work with the Chief Executive Officer, if any, to ensure that Board policy and directions are implemented. The Chair also will have such other powers and duties as may be prescribed by the Board or these Bylaws.

Section 6. VICE CHAIR.

The Vice Chair will have the right to vote on all matters coming before the Board and will have only one vote, just as the other Board members. As authorized by the Board or these Bylaws, the Vice Chair will have the authority to act on behalf of the Authority.

Section 7. TREASURER.

Treasurer will be the depository and have custody of all money of the Authority from whatever source, subject to the applicable provisions of any indenture or resolution providing for a trustee or other fiscal agent. The Treasurer will perform or cause to be performed the duties

specified in Government Code section 6505.5. The Treasurer will cause the Authority to contract with a certified public accountant to make an annual audit of the accounts and records of the Authority which will be conducted in compliance with Government Code section 6505 and a copy of such audit be distributed in accordance with applicable law. Except as delegated by the Board, the Treasurer will have no authority to act on behalf of the Authority without Board approval.

Section 8. SECRETARY.

The Secretary will keep, at the principal office of the Authority, or such other place as the Board may order, a record of all proceedings had at meetings of the Board. Such record will include the time and place of the meetings, whether regular or special, and if special, how authorized, the notice given, the names of those present at the meetings, and the proceedings of the meeting. The Secretary will cause to be filed all documents pertaining to the Authority's affairs at the office of the Authority and such records will be open to inspection at all times by any person. The Secretary will give, or cause to be given, notice of all meetings of the Board and committees of the Authority as required by California law or these Bylaws, and she/he will keep the seal of the Authority (if any) in safe custody and will have such other powers and perform such other duties as may from time to time be prescribed and required by the Board or the Bylaws. Except as delegated by the Board, the Secretary will have no authority to act on behalf of the Authority without Board approval.

Section 9. ELECTION OF OFFICERS.

9.1. Initial Election. The Chair, Vice Chair, Secretary, and Treasurer will be chosen at the first Board meeting when there are at least four Members of the Authority. Their term of office will be for two years starting in July following their election and each will hold office until he or she resigns, is removed, or is otherwise disqualified to serve, or until his or her successor is elected and qualified to serve.

9.2. Selection of New Officers and Replacements. Beginning in June 2020, the Board will select new officers who will serve a term of two years starting the following July. If any officer resigns or otherwise fails to complete the remainder of his or her term, the Board will nominate a candidate to stand for election to serve out the remainder of that officer's term of office to be voted on at the next Board meeting following the event ending the officer's term of service.

Section 10. COMPENSATION OF OFFICERS.

10.1. Directors. Unless otherwise provided by a resolution adopted by the Board, no Director will receive compensation from the Authority for his or her attendance at meetings of the Board or any committee or for any other services rendered as a Director. The amount of any Director compensation provided under any resolution adopted by the Board may not exceed the amount permitted by law for each day's attendance at meetings of the Board and for each day's service rendered as a Director by request of the Board, not exceeding a total of six days in any calendar month, together with any expenses incurred in the performance of duties required or authorized by the Board.

10.2. Secretary and Treasurer. Unless otherwise determined by the Board, the Secretary and Treasurer of the Authority will serve without compensation, other than to receive such allowance as may be authorized by the Board from time to time to cover expenses incurred by the Secretary and Treasurer in the performance of his or her duties on behalf of the Authority.

Section 11. BONDS OF OFFICERS.

The Board will require a bond in an amount to be determined by the Board for any Board officer. The premium for any such bond will be paid by the Authority.

Section 12. REMOVAL OF OFFICERS.

The Board may remove any officer, with or without cause, at any regular or special meeting of the Board by concurrence of 75% of the Directors of the Authority present and voting on such matter.

**ARTICLE V. COMMITTEES**

Section 1. FORMATION AND STAFFING.

The Board may establish any standing or ad hoc committees it deems necessary to carry out the purposes of the Authority. All committees and their members serve at the pleasure of the Board and may be reconstituted, re-formed, reconfigured or disbanded at any time at the discretion of the Board. Every Authority committee will be comprised of an odd number of members and will be chaired by a Director. Every Authority committee will be advisory to the Board, and the power to determine the Authority's course of action will remain with the Board.

The chair of each committee will be responsible for leadership, control and content of committee meetings. Every committee will also have a vice chair. The Chair of the Board will ensure that each committee has adequate Authority staff or contractors to support each committee's work effectively and to communicate with the Board and the Members.

Section 2. PURPOSE.

At the time the Board establishes a committee, and thereafter from time-to-time, the Board will establish the purposes of the committee, designate whether it is a standing or ad hoc committee, and identify the reporting requirements of the committee to the Board. At the time the Board establishes a committee, the Board may also establish the frequency of the meetings of the committee, but if it does not do so, the committee itself will set its own meeting schedule.

Section 3. SELECTION OF COMMITTEE MEMBERS AND TERMS.

The Chair of the Board will appoint members of all committees, subject to approval of the Board. Unless otherwise determined by the Board when a standing committee is established, the terms for each standing committee member will end on the same Board meeting in which officers are regularly required to be elected.

If any committee member resigns, or otherwise fails to complete the remainder of his or her term, the Chair of the Board will nominate candidate(s) to stand for election to serve out the remainder of that member's term of office to be voted on at the next Board meeting. Nominations of additional candidates will be taken from the Board at the time of consideration of the appointment.

At all times, the number of Directors participating in a committee meeting must be less than a majority of the Members of the Authority; however, in accordance with the Brown Act, other Directors may attend committee meetings provided that they act only as observers.

Section 4. VOTING.

Each committee member will have one vote. The committee member must be present at a meeting in order to vote. There will be no proxy or absentee voting on Authority committees. Committee recommendations will be determined by a majority vote of the committee members present and voting at the meeting.

Section 5. COMMUNICATION AND STAFF COORDINATION.

All recommendations and minutes of every committee will be presented in writing to the Board. Committees and Authority staff or contractors will coordinate meeting schedules and work efforts to allow the maximum time possible for preparation and distribution of committee reports and recommendations before their presentation to the Board. If a committee is to prepare a written report containing recommendations or otherwise make recommendations to the Board, those recommendations will be clearly and concisely stated, with supporting facts and analyses.

**ARTICLE VI. EMPLOYEES AND AGENTS**

Section 1. AUTHORITY TO EMPLOY STAFF AND AGENTS.

The Authority may employ and the Board may appoint such employees and agents (including consultants and contractors) as the business of the Authority may require. Each such employee or agent will have such authority and perform such duties, and receive such compensation, as the Board may from time-to-time determine is appropriate to advance the interests of the Authority. The Board reserves the right to change an employee's or agent's job duties at any time.

Section 2. CHIEF EXECUTIVE OFFICER.

If engaged, the Chief Executive Officer of the Authority will, subject to the control and policy direction of the Board, have general supervision, direction and control of all aspects of the administration and operations of the Authority, including regulatory and environmental matters that may impact the Authority's interests; development and management of the Authority's budget; and compliance with all laws and regulations. If a Chief Executive Officer is engaged, the primary responsibility for such position will be ensuring that the Board's policy direction is implemented.

The Chief Executive Officer will communicate with the Chair of the Board between Board meetings, attend all Board meetings, ensure that the Board and the Members are kept educated on pertinent issues, and make recommendations to the Board as appropriate.

Except as the Board otherwise reserves these powers for itself, the Chief Executive Officer will supervise and direct all Authority staff and has the power to hire and terminate Authority employees and to direct their work and the work of the Authority's agents.

The Chief Executive Officer reports to the Board and serves at the pleasure of the Board.

**Section 3.      COMPENSATION OF EMPLOYEES AND AGENTS.**

The Board will compensate the Authority's employees with such salaries and benefits as may be fixed by the Board consistent with applicable law and will also establish by contract the compensation for all agents of the Authority.

**Section 4.      BONDS OF EMPLOYEES.**

The Board may require a bond in an amount to be determined by the Board for any employee. The premium for any such bond will be paid by the Authority.

**ARTICLE VII. DISCLOSURE OF CLOSED SESSION INFORMATION**

The Directors and Alternate Directors, including any staff of a Member, that attend a closed session of the Board or any committee may disclose information obtained in a closed session that has direct financial or liability implications for that Member agency to the following individuals: (a) legal counsel of that Member for purposes of obtaining advice on whether the matter has direct financial or liability implications for that Member; and (b) other members of the legislative body of the Member present in a closed session of that Member agency.

**ARTICLE VIII. AMENDMENT OR REPEAL OF BYLAWS**

These Bylaws may be repealed or amended or new Bylaws adopted by the unanimous vote of the total number of Directors.

**ARTICLE IX. SAVINGS CLAUSE**

Should any provision of these Bylaws be inconsistent with the laws of the State of California, such laws (and not these Bylaws) will govern and these Bylaws will be interpreted to be consistent with such laws.
